**ORDER**

This is second appeal filed by the appellant on 07.12.2015. The PIO has filed a detailed reply to this second appeal. His presence was exempted in the case. The appellant was heard in detail. It has been submitted by the PIO in Para No. 1 of the comments that communication dated 26.03.2015 had not been received in the office or by the Hon'ble President H.P. State Consumer Disputes Redressal Commission, Shimla. The appellant was specifically asked to give proof that communication dated 26.03.2015 was sent to the Commission. He requested that case be adjourned and he will give the proof on the next date of hearing.

Today the appellant is not present. This Commission feels that it is a very frivolous matter and valuable time and resources of public authority are being wasted on such insignificant queries. In the facts and circumstances of this case, the case cannot be adjourned and accordingly this second appeal is dismissed having no merit.

Announced.
